Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Art, friendship, innovative thinking, creativity, words, and laughter. She became part of a circle of great innovators - the Surrealists, and yet found her own quietly adventurous style. Her work was shown at galleries and museums in NYC, San Francisco, Los Angeles, Albuquerque, and Philadelphia. She was from Hanover, PA, but not "of" Hanover. She found herself in Nature, in the mountains of New Mexico, and in the studio on her farm, in Chester County, PA. She knew many big names in the art world - Matisses, Ernst, Calder, and Wyeths, Julien Levy and museum directors, writers, critics, artists and thinkers. Her encouragement and joie de vivre affected many. Her friends of all walks in life shared in the fun. Her spirituality was strong, of ancient dreams and constant questing. Her determined self-actualization was a role-model, a legacy far beyond immediate family. Peter never had children, but many "godchildren" were part of her life, as she was to a special wise-woman in the desert, Edith Warner. Poets and physicists and Pueblo life...
